February: the month of love! Valentine's Day is my favorite holiday of the year, because you get to tell people how much you care about them. And it doesn't have to be just your boyfriend or girlfriend. You can tell your parents, your friends, your brothers and sisters, your teachers, the ice cream man, even the guy at the comic book store. You can give a valentine to anyone who makes your day brighter by being there. Can't think of the perfect gift to say you care? Let me offer this advice: candy can spoil your appetite, and flowers only last a week, but a comic book gets better and better.

This month Harvey Comics enters the world of movies. First, meet The Flintstones ! They're making a movie based on the incredible Hanna-Barbera cartoon series. Fred is played by John Goodman, (he's the Dad on Roseanne). You'll be astounded when you see how they bring this cartoon world to life! It's sure to be the movie event of the summer. And Harvey Comics is proud to be bringing you the comic book event of the summer: an incredible adaptation of the movie! It's still a top-secret, hush-hush project, but we're going to be doing something extra special with this comic book!

Of course, it's not surprising that we at Harvey would be involved with a movie project. After all, we have two movies of our own in the pipeline. First up is Richie Rich, a live action picture. In a few short months, the story of the world's richest kid will go before the cameras.

Even as I write this, some of Hollywood's most brilliant special effects people are hard at work creating the magic that will bring Casper to life. It promises to be a movie unlike any you've ever seen!

Making movies is a very exciting business, but we're here to make comic books, after all. On the newsstands now, you can still pick up the latest issues of Beethoven and the Stone Protectors. And the day draws ever closer when our new Hanna-Barbera comics will hit the stands. And as if that wasn't enough, we still have a gaggle of great comics coming out this month: Baby Huey, Casper the Friendly Ghost, Hot Stuff, Beetle Bailey, Popeye and Tom & Jerry, and that's only scratching the surface! Be good, keep reading, and I'll see you next month!

and we get letters...

Dear Baby Huey,
I love your comics. I have been reading them for 3 years. How much do you eat? I think your comics are funny and exciting. Make more comics soon.
Your friend,
Michelle
Louisville, KY

Duh, Dear Michelle
Thanks for reading my comics! I don't know how much I eat but since you're such a good fan I'll try extra special hard to figure it out. Let's see, one (munch, munch) extra large super hero sandwich, (gulp), two extra large super hero sandwiches (munch, munch), three extra large super hero sandwiches...

Dear Casper,
Why don't you teach Spooky to be a good little ghost like you? I like your comics a lot. Casper, you are the only ghost I'm not afraid of.
Your best fan,
Joyce Hui
Markham, Ontario
Canada

Dear Joyce
I try to tell Spooky that making friends is fun, but he's too busy booing to notice! I think booing is Spooky's way of showing people he likes them.
Your special friend,
Casper

Duh,
7 extra large superhero sandwiches, (munch munch), 8 extra large super hero sandwiches...

Dear Hot Stuff,
How did you become a devil? It's funny when you shoot fire at people! One day I'd like to be a devil. What are your suggestions on my being a devil? I read your comics everyday!
Sincerely,
Scott Hager
Tenafly, New Jersey

Dear Scott,
Everybody thinks it's all fun and games being a devil- but it requires a lot of non-work and intense lack of study. Anyway, kids don't make good devils. They start out fine, but before you know it, they're doing good deeds, cleaning their room, helping little old ladies across the street...

Dear Richie Rich,
My Papa has been collecting comics since he was little. I just turned seven and my papa has given me all his comics. You are my favorite comics. I love reading your stories.
Love,
Jessica Hadden
Redwood Estates, CA

Dear Jessica,
Isn't it great when you can share comics with your parents? My father gave me a rare comic, one of the first ever made. It's so old it was carved onto a stone tablet! We donated it to the County Museum so everyone could enjoy it.
Your friend,
Richie Rich

Dear Spooky,
I love your comics. I know how you feel when you"boo" people because I do it too. I love when you say "boo" and they jump a mile.
Your best fan,
Rachel Burk
Los Angeles, CA

Dear Rachel,
They jump a mile? You are an excellent booer! Your average boo barely sends people 50 feet off the ground. Of course, a professional booer like me can send an unsuspecting victim into orbit.
Expertly yours,
Spooky

Duh,
Munch, munch, munch...

Dear Richie and Casper,
You are best friends of mine. Whenever I'm down I can feel better when I see how much fun you have and how friendly and caring you are. Sometimes when I'm lonely I wish I could go there and spend time in your world. I think you and Casper are a lot alike in lots of really good ways. When I see Reggie and Mayda I can tell that you know how to make life rich in ways that money can't buy. Thank you for cheering me up so much.
Your loving friend,
Ken McGuffey
Tucker, GA

Dear Ken,
Thank you for your wonderful letter. We love to hear from our favorite readers, and to know that we mean as much to you as you do to us. Keep reading, and we'll keep thinking about you!
Love ,
Richie Rich
and Casper

Dear Michelle,
Duh, I know the answer to your question:
I eat too much ! (My tummy hurts!)
Love
BIG Baby Huey
